

XXIX 87X

Handwritten text in a cursive script, likely a historical document or manuscript. The text is organized into several columns and includes various annotations and markings.

At the top right, there is a small diagram or sketch of a landscape or architectural feature, possibly a fortification or a building, with labels in the script.

Below the main body of text, there are several lines of smaller text, possibly a summary or a list of items. These lines are separated by horizontal lines and include some numbers and dates.

At the bottom left, there is a small section of text that appears to be a signature or a date, possibly "1770" or "1771".
